Effective September 8, 2015, Florida East Coast Railway (FECR) will enhance our local southbound train schedule to add a new direct service to Fort Lauderdale. This service, operating Tuesday through Friday, will provide the same destination availability our customers are accustomed to, while offering a later origin gate cut-off.

**EMERGENCY NUMBERS:**  
General/Emergency Line:  
800-342-1131(Press 1 to report a railroad emergency.)

Origin	Destination	Days of Departure	Origin Gate Cut-Off	Destination Availability	FEC Train
<b>Jacksonville</b>	<b>Fort Lauderdale</b>	<b>Tu, W, Th, F</b>	<b>1645</b>	<b>0700 (next day)</b>	<b>117</b>

To report illegal dumping, contact the FECR Environmental Department at (904) 279-3277.

The new train schedule not only provides reduced transit but also enables additional train capacity to our Fort Lauderdale terminal, while providing increased flexibility across our network for customers.

To learn more about the changes to this southbound Jacksonville train service to Fort Lauderdale, or any of our other service offerings, please contact FECR Customer Service or your Sales Representative for more information.

Thank you!
