contact@fecrwy.com

Effective September 8, 2015, Florida East Coast Railway (FECR) will update our northbound rail service by adding a new train start with gate cut-off and availability as noted below.

WEBSITE
www.fecrwy.com

EMERGENCY NUMBERS:
General/Emergency Line:
800-342-1131(Press 1 to report a railroad emergency.)

Origin	Destination	Days of Departure	Origin Gate Cut-Off	Destination Availability	FEC Train
Fort Lauderdale	Jacksonville	Tu, W, Th, F	1600	1130 (next day)	218

To report illegal dumping, contact the FECR Environmental Department at (904) 279-3277.

As volumes demand, FECR will also operate a Monday service into Jacksonville with similar gate cut-off and destination availability.

This additional northbound train start will boost efficiencies while providing increased flexibility, and added capacity across our network for customers.

To learn more about this new northbound train, or any of our other service offerings, please contact FECR Customer Service or your Sales Representative for more information.

Thank you!
