

Based on the U.S. DOE National Average price per gallon of fuel, Florida East Coast Railway (FECR) will assess an indexed percentage rate on all intermodal shipments. FECR will notify our domestic customers regarding the change to the FECR fuel surcharge rate on a weekly basis. FECR will notify our international customers regarding the change to the FECR fuel surcharge rate on a monthly basis.

DOE HDF Price	Fuel Surcharge %	DOE HDF PRICE	Fuel Surcharge %	DOE HDF Price	Fuel Surcharge %
